

EZ HANDRAIL

Aluminum Handrail for Decks & More
Commercial or Residential

Homeowners and professionals alike are choosing EZ Handrail not only to solve safety problems, but also because of its beautiful decorative features, easy one-person installation and maintenance free aspects. Our pre-engineered EZ Handrail system combines the durability, strength, and low maintenance of aluminum while meeting nationwide building codes.

- ◆ **EZ Installation** - Using an easy 4 step installation process, EZ Handrail cuts quickly to size for custom residential and commercial applications. No special tools or skills are required.
- ◆ **Maintenance Free** - No yearly scraping and re-painting costs. No unsightly rust stains, splintered wood or blistered paint as associated with traditional hand rails.
- ◆ **Strength** - EZ Handrail uses aluminum alloys providing tremendous strength and longevity.
- ◆ **Beauty** - EZ Handrail provides a beautiful lifelong decorative solution while meeting commercial and residential safety needs.
- ◆ **Finish** - EZ Handrail's powder coating process provides a permanent non-corrosive high quality finish.
- ◆ **Applications** - EZ Handrail is a top rated solution for decks, patios, pools and homes.
